Independent Auditor's Report

To the Members of Ecom Express Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Ecom Express Private Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2021, its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the Financial Statements and Auditor's Report thereon

4. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

Chartered Accountants

Walker Chandniok & Co LLP

Independent Auditor's Report to the members of Ecom Express Private Limited on the standalone financial statements for the year ended 31 March 2021 (cont'd)

standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

The Directors' Report is not made available to us at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management for the Standalone Financial Statements

5. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

7. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
8. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

Chartered Accountants

Walker Chandniok & Co LLP

Independent Auditor's Report to the members of Ecom Express Private Limited on the standalone financial statements for the year ended 31 March 2021 (cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
9. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

10. Based on our audit, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to the Company since the Company is not a public company as defined under section 2(71) of the Act. Accordingly, reporting under section 197(16) is not applicable.
11. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure I, a statement on the matters specified in paragraphs 3 and 4 of the Order.
12. Further to our comments in Annexure I, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
 - b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - e) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2021 from being appointed as a director in terms of section 164(2) of the Act;
 - f) we have also audited the internal financial controls with reference to financial statements of the Company as on 31 March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 20 August 2021 as per Annexure II expressed unmodified opinion; and

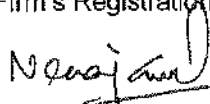

Walker Chandiook & Co LLP

Independent Auditor's Report to the members of Ecom Express Private Limited on the standalone financial statements for the year ended 31 March 2021 (cont'd)

- g) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. the Company, as detailed in note 37 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2021;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2021;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2021; and
 - iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

Walker Chandiook & Co LLP

Annexure I to the Independent Auditor's Report of even date to the members of Ecom Express Private Limited on the standalone financial statements for the year ended 31 March 2021

Annexure I

Based on the audit procedures performed for the purpose of reporting a true and fair view on the standalone financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment ('PPE').
 - (b) The Company has a regular program of physical verification of its PPE under which PPE are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain PPE were verified during the year and no material discrepancies were noticed on such verification.
 - (c) The Company does not hold any immovable property (in the nature of 'PPE'). Accordingly, the provisions of clause 3(i) (c) of the Order are not applicable.
- (ii) The Company does not have any inventory. Accordingly, the provisions of clause 3(ii) of the Order are not applicable.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.
- (iv) In our opinion, the Company has complied with the provisions of Section 186 in respect of investments. Further, in our opinion, the Company has not entered into any transaction covered under Section 185 and Section 186 of the Act in respect of loans, guarantees and security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) The Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's services. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- (vii)(a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, goods and services tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delays in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(This space has been intentionally left blank)

Walker Chandiook & Co LLP

Annexure I to the Independent Auditor's Report of even date to the members of Ecom Express Private Limited on the standalone financial statements for the year ended 31 March 2021 (cont'd)

- (b) The dues outstanding in respect of income-tax, sales-tax, service-tax, goods and services tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

Statement of disputed dues

Name of the statute	Nature of dues	Amount (₹ in lakh)	Amount paid under protest (₹ in lakh)	Period to which amount relates	Forum where dispute is pending
M.P. Commercial Tax Act, 1994	Commercial tax	10.72	10.72	2015-16	Commercial Tax Tribunal, Bhopal
U.P. Value Added Tax Act, 2008	Value added tax	8.15	8.15	2017-18	Appellate Tribunal, Mathura
U.P. Value Added Tax Act, 2008	Value added tax	0.86	0.32	2017-18	Commercial Tax Department, Saharanpur
U.P. Value Added Tax Act, 2008	Value added tax	11.67	Nil	2015-16	Commercial Tax Department, Azamgarh
U.P. Value Added Tax Act, 2008	Value added tax	7.60	7.60	2017-18	Commercial Tax Tribunal, Agra
Maharashtra Municipal Corporation Act, 1949	Local body tax	20.88	Nil	2014-15	Municipal Corporation, Ahmednagar
Central Goods and Services Tax Act, 2017	Input tax credit	1,120.26	112.02	2019-20	Appellate Authority, Delhi

- (viii) The Company has not defaulted in repayment of loans or borrowings to any bank during the year. The Company has no loan or borrowings payable to any financial institution or to government and did not have any outstanding debentures during the year.
- (ix) In our opinion, the Company has applied moneys raised by way of the term loans for the purposes for which these were raised. The Company did not raise moneys by way of initial public offer/ further public offer (including debt instruments) during the year.
- (x) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) The provisions of Section 197 of the Act read with Schedule V to the Act are not applicable to the Company since the Company is not a public company as defined under Section 2(71) of the Act. Accordingly, provisions of clause 3(xi) of the Order are not applicable.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.

Chartered Accountants

Walker Chandiok & Co LLP

Annexure I to the Independent Auditor's Report of even date to the members of Ecom Express Private Limited on the standalone financial statements for the year ended 31 March 2021 (cont'd)

- (xiii) In our opinion, the Company has not entered into any transactions with the related parties. Accordingly, provisions of clause 3(xiii) of the Order are not applicable.
- (xiv) During the year, the Company has made preferential allotment of shares. In respect of the same, in our opinion, the Company has complied with the requirement of Section 42 of the Act and the Rules framed thereunder. Further, in our opinion, the amounts so raised were applied for the purposes for which these securities were issued, though idle funds which were not required for immediate utilisation have been invested in liquid investments, payable on demand. During the year, the Company has not made any private placement of fully or partly convertible debentures.
- (xv) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Walker Chandniok & Co LLP

Annexure II to the Independent Auditor's Report of even date to the members of Ecom Express Private Limited on the standalone financial statements for the year ended 31 March 2021

Annexure II

Independent Auditor's Report on the internal financial controls with reference to the standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Ecom Express Private Limited ('the Company') as at and for the year ended 31 March 2021, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those

Walker Chandniok & Co LLP

Annexure II to the Independent Auditor's Report of even date to the members of Ecom Express Private Limited on the standalone financial statements for the year ended 31 March 2021 (cont'd)

policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2021, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

1. Nature of operations

Ecom Express Private Limited (the 'Company') was incorporated on 27 August 2012 with its registered office in New Delhi. The Company is primarily providing is engaged in the business of providing courier, logistics and delivery services to its customers by fulfilling their end-customer's orders through delivery of shipments at their end-customer's doorstep within India. The Company is also engaged in the business of providing a range of fulfilment services including warehousing and order management. The Company has its registered place of business at Ground floor, 13/16 min, 17 min, Samalka, old Delhi-Gurgaon road, Kapashera 110037, New Delhi, India.

The financial statements of the Company for the year ended 31 March 2021 are authorised for issue in accordance with a resolution of the Board of Directors on 20 August 2021.

2. Basis of preparation

These financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs ('MCA') under section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other relevant provisions of the Act. The accounting policies are applied to all the periods presented in the financial statements.

The financial statements have been prepared on going concern basis in accordance with generally accepted accounting principles in India. Further, the financial statements have been prepared on a historical cost basis except for following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Share based payments	Fair value

The financial statements are presented in Indian Rupees, which is also the Company's functional currency. All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

3. Recent accounting pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. There is no such notification which would have been applicable from 1 April 2021.

4. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

a) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle*
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

A liability is current when:

- It is expected to be settled in normal operating cycle*
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

Based on the nature of services and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

b) Property, plant and equipment

Recognition and initial measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses. The cost comprises purchase price (net of input tax credit), borrowing cost if capitalisation criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits attributable to such subsequent cost associated with the item will flow to the Company and the benefit shall be availed over a period of more than one year. All other repair and maintenance costs are recognised in statement of profit or loss as incurred.

Subsequent measurement (depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less accumulated depreciation and impairment losses. Depreciation on property, plant and equipment has been provided on straight-line basis over the useful life assigned to each asset in accordance with Schedule II of Companies Act, 2013.

Management has done an internal technical assessment based on its nature and purpose of the asset for the useful life of the assets where the useful life of the asset is found to be different from Schedule II.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognized.

c) Intangible assets

Recognition and initial measurement

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses.

As per Ind AS 38, expenses during the research phase of development of intangible assets have been charged to Statement of Profit and Loss in the period in which expenditure is incurred. Other direct and indirect expenses incurred relating to project during the project at development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Intangible Assets under Development.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

Subsequent measurement (amortisation)

Intangible assets are amortized on straight line basis using the estimated useful life as follows:

Intangible Assets	Useful life (in years)
Software Licenses	1 to 5 Years

De-recognition

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

d) Equity Instruments

The Company has accounted for its investments in Subsidiaries at cost less impairment loss (if any) and these are being tested for impairment at each reporting period considering the provisions of Ind AS 36 'Impairment of Assets'. Transaction costs that are directly attributable to the acquisition of financial assets are added to the fair value of the financial assets on initial recognition

e) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services. Revenue is measured net of rebates, discounts and taxes. The Company applies the revenue recognition criteria to each component of the revenue transaction as set out below.

Sale of services

Revenue from sale of services is recognized as and when related services are rendered in accordance with the terms specified in the contract. The Company considers the terms of the contract and its customary business practices to determine the transaction price. The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for the services, excluding amounts collected on behalf of third parties (for example, indirect taxes).

A receivable is recognised by the Company when the control is transferred as this is the case of point in time recognition where consideration is unconditional because only the passage of time is required. When either party to a contract has performed, an entity shall present the contract in the balance sheet as a contract asset or a contract liability, depending on the relationship between the entity's performance and the payment.

Interest income

Interest income is recorded on accrual basis using the effective interest rate (EIR) method. Interest income is included in other income in statement of profit and loss.

f) Government grants

Government grants and subsidies are accounted for in the books of account when the ultimate collection of the grant/subsidy is reasonably certain. Grants that compensate the Company for expenses incurred are deducted in the related expense in the profit or loss in the periods in which such expenses are recognised.

g) Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowings of funds. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of cost of such asset until such time the assets are substantially ready for their intended use. Qualifying assets are assets which take a substantial period of time to get ready for their intended use or sale.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

When the Company borrows funds specifically for the purpose of obtaining a qualifying asset, the borrowing costs incurred are capitalised. When Company borrows funds generally and uses them for the purpose of obtaining a qualifying asset, the capitalisation of the borrowing costs is computed based on the weighted average cost of general borrowing that are outstanding during the period and used for the acquisition or construction of the qualifying asset.

Capitalisation of borrowing costs ceases when substantially all the activities necessary to prepare the qualifying assets for their intended uses are complete. Income earned on temporary investment of the borrowings pending their expenditure on the qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are recognised as an expense in the year in which they are incurred.

h) Operating leases

After 1 April 2019

Transition

Effective 1 April 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 1 April 2019 using the modified retrospective method and elected to measure the right-of-use assets at an amount equal to the lease liability adjusted for any prepaid or accrued lease payments that existed at the date of transition. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application.

The Company as a lessee

The Company's lease asset classes primarily consist of property leases. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the Statement of Profit and Loss.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

i) Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the recoverable amount of the asset or the cash generating unit is estimated. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount. The carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

j) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs. Subsequent measurement of financial assets and financial liabilities is described below.

Non-derivative financial assets

Subsequent measurement

- i. **Financial assets carried at amortised cost**— A 'financial asset' is measured at the amortised cost if both the following conditions are met:
 - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii. A financial assets which is not classified in above category are subsequently measured at fair value through profit and loss

De-recognition of financial assets

A financial asset is primarily de-recognised when the contractual rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all derivative financial liabilities are measured at fair value through profit or loss.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

Non-derivative financial liabilities

Subsequent measurement

Subsequent to initial recognition, all non-derivative financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Put option

The Company has written put option over its equity which permits the holder to put their shares in the Company back to the Company at their fair value on specified dates. The amount that may become payable under the option on exercise is recognised at the present value of the redemption amount within borrowings with a corresponding charge directly to equity.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

k) Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Company assesses on forward looking basis the expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

Investments in Subsidiaries:

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost or at fair value through profit or loss. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 35 details how the company determines whether there has been a significant increase in credit risk.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses.

When making this assessment, the Company compares the risk of a default occurring on the financial asset as at the balance sheet date with the risk of a default occurring on the financial asset as at the date of initial recognition and considers reasonable and supportable information, that is available without undue cost or effort.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

l) Income taxes

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations. Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity).

Deferred tax liabilities are generally recognised in full for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit and loss (either in other comprehensive income or in equity).

m) Cash and cash equivalents

Cash and cash equivalents include cash in hand, balance with banks in current in current accounts and other short term highly liquid investments with original maturity of three months and less.

n) Employee benefits

Gratuity

Gratuity is a post-employment benefit and is in the nature of a defined benefit plan. The liability recognized in the balance sheet in respect of gratuity is the present value of the defined benefit/ obligation at the balance sheet date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The defined benefit/obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. Actuarial gains/losses resulting from re-measurements of the liability are included in other comprehensive income.

Compensated absences

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognized on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of profit and loss in the year in which such gains or losses are determined.

Provident fund

Provident fund benefit is a defined contribution plan namely Provident Fund which is administered through the Regional Provident Fund Commissioner under established under Employees Provident Fund and Miscellaneous Provisions Act, 1952. The Company pays fixed contributions into funds and the contributions towards such fund are charged to the Statement of Profit and Loss. The Company has no legal or constructive obligations to pay further contributions after payment of such fixed contribution.

Employee state insurance

The Company contributes to state plans namely Employee State Insurance Fund maintained by state authorities. The plan is a defined contribution plan and contribution paid/payable is recognized as expense on accrual basis.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

and charged to the Statement of Profit and Loss. The Company does not carry any further obligations with respect to these funds, apart from contributions made to these funds.

Other short-term benefits

Expense in respect of other short term benefits including performance bonus is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

o) Provisions

Provisions are recognized when the Company has a present obligation as a result of past events, for which it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions required to settle are reviewed regularly and are adjusted where necessary to reflect the current best estimates of the obligation. Provisions are discounted to their present values, where the time value of money is material.

p) Contingent liabilities and contingent assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

q) Share based payments

The Company has formulated Employees Stock Option Scheme namely 'Employee Stock Option Plan 2017'. The fair value of options granted under Employee Stock Option Plan is recognised as an employee benefits expense with a corresponding increase in other equity. The total amount to be expensed is determined by reference to the fair value of the options. The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied.

r) Foreign currency transactions

Functional and presentation currency

The financial statements are presented in Indian Rupee ('INR' or '₹') which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the Statement of Profit and Loss in the year in which they arise.

s) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

t) Significant management estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policy. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

- i. **Recognition of deferred tax assets** – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.
- ii. **Evaluation of indicators for impairment of assets** – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.
- iii. **Contingent liabilities**– At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However, the actual future outcome may be different from this judgement.
- iv. **Impairment of financial assets** – At each balance sheet date, the management assesses the expected credit losses on outstanding receivables and advances basis the specific identification and default history. Further, management also considers the factors that may influence the credit risk assessment such as the estimate of underlying value of the shipments lying undelivered or monies payable to customers on account of collections from 'Cash on delivery' orders.
- v. **Defined benefit obligation (DBO)** – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.
- vi. **Useful lives of depreciable/amortisable assets** – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.
- vii. **Share based payment**- The Company measures the cost of equity-settled transactions with employees by reference to the fair value of the equity instruments at the date at which they are granted. Estimating fair value for share-based payment transactions requires determination of the most appropriate valuation model, which is dependent on the terms and conditions of the grant. This estimate also requires determination of the most appropriate inputs to the valuation model including the expected life of the share option, volatility and dividend yield and making assumptions about them. The assumptions and models used for estimating fair value for share-based payment transactions are disclosed in Note 42.
- viii. **Provisions** – Estimate for provisions recognised is based on management best estimate of the expenditure required to settle the present obligation at the year end and is based on historical experience, expected changes in economic conditions, changes in exchange rates.

Estimates and judgements are continuously evaluated. They are based on historical experience and other factors including expectation of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

- ix. **Classification of leases** – The Company enters into leasing arrangements for various premises. The assessment (including measurement) of the lease is based on several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to extend/terminate etc. After the commencement date, the Company reassesses the lease term if there is a significant event or change in circumstances that is within its control and affects its ability to exercise or not to exercise the option to extend or to terminate.

Others	-	116.84	-	116.84
Net deferred tax assets	-	6,392.24	28.50	6,420.74

Note:

During the previous year, the Company has recognised deferred tax asset on temporary differences due to presence of convincing evidences that sufficient taxable profit will be available against which the deferred tax asset can be utilised. However, till 31 March 2019, deferred tax was recognised only to the extent of deferred tax liabilities since the Company had a history recent losses and absence of convincing evidence that sufficient taxable profit will be available against which the deferred tax assets can be realised.

(This space has been intentionally left blank)

III Compulsorily convertible preference shares (CCPS) - Series I

i) During the year ended 31 March 2015, the Company has issued 18,64,198 CCPS - Series I, of ₹10 each fully paid-up at a premium of ₹ 439.14 per share. CCPS carry non-cumulative dividend @ 0.001% p.a.

ii) Each holder of CCPS are entitled to convert the CCPS into equity shares at any time at the option of the holder of the CCPS subject to the compliance of applicable laws. In accordance with the existing terms of the CCPS, the conversion price of CCPS stands fixed at the conversion price as specified by the relevant clauses of the Shareholder's agreement. Each CCPS automatically be converted into fixed number of equity share, upon the earlier of (i) the date falling on the 10th (tenth) anniversary of the closing date of investment agreement i.e. 3 June 2015; or (ii) the date on which the Series I CCPS are required by applicable law to be mandatorily converted into equity shares.

Each CCPS shall be converted into Ordinary Shares at the conversion price determined as per detailed terms and conditions of CCPS as may be arrived in terms of the investment agreement dated 11 December 2020.

iii) The preference shares will have preference to receive dividend. The holders of 0.001% compulsory convertible preference shares have equal right to receive notices of, attend or vote at general meetings except in certain limited circumstances.

iv) On the distribution of the assets of the Company, on winding up or other return of the capital (subject to certain exceptions), the holders of preference share have priority over the holders of ordinary shares to receive the capital paid up on those shares.

Compulsorily convertible preference shares (CCPS) - Series II

i) During the year ended 31 March 2016, the Company has issued 1,24,43,436 CCPS - Series II, of ₹10 each fully paid-up at a premium of ₹ 215 per share. CCPS carry non-cumulative dividend @ 0.001% p.a.

ii) Each holder of CCPS are entitled to convert the CCPS into equity shares at any time at the option of the holder of the CCPS subject to the compliance of applicable laws. Each CCPS automatically be converted into fixed no. of equity share, at the fixed conversion price as specified by the relevant clauses of the Shareholder's agreement, upon the earlier of (i) the date falling on the 10th (tenth) anniversary of the closing date of the investment agreement i.e. 3 June 2015; or (ii) the date on which the Series II CCPS are required by applicable law to be mandatorily converted into equity shares.

Each CCPS shall be converted into Ordinary Shares at the conversion price determined as per detailed terms and conditions of CCPS as may be arrived in terms of the investment agreement dated 11 December 2020.

iii) The preference shares will have preference to receive dividend. The holders of 0.001% compulsory convertible preference shares have equal right to receive notices of, attend or vote at general meetings except in certain limited circumstances.

iv) On the distribution of the assets of the Company, on winding up or other return of the capital (subject to certain exceptions), the holders of preference share have priority over the holders of ordinary shares to receive the capital paid up on those shares.

Compulsorily convertible preference shares (CCPS) - Series III

i) During the year ended 31 March 2018, the Company has issued 6,09,524 CCPS - Series III, of ₹10 each fully paid-up at a premium of ₹ 3,140 per share to Eaglebay Investment Limited. CCPS carry non-cumulative dividend @ 0.001% p.a.

ii) Each holder of CCPS are entitled to convert the CCPS into equity shares at any time at the option of the holder of the CCPS subject to the compliance of applicable laws. Each CCPS automatically be converted into fixed no. of equity share, at the fixed conversion price as specified by the relevant clauses of the Shareholder's agreement, upon the earlier of (i) the date falling on the 10th (tenth) anniversary of the closing date of the investment agreement i.e. 8 September 2017; or (ii) the date on which the Series III CCPS are required by applicable law to be mandatorily converted into equity shares.

Each CCPS shall be converted into Ordinary Shares at the conversion price determined as per detailed terms and conditions of CCPS as may be arrived in terms of the investment agreement dated 11 December 2020.

iii) The preference shares will have preference to receive dividend. The holders of 0.001% compulsory convertible preference shares have equal right to receive notices of, attend or vote at general meetings except in certain limited circumstances.

iv) On the distribution of the assets of the Company, on winding up or other return of the capital (subject to certain exceptions), the holders of preference share have priority over the holders of ordinary shares to receive the capital paid up on those shares.

Compulsorily convertible preference shares (CCPS) - Series IV

i) During the year ended 31 March 2020, the Company has issued 4,14,792 CCPS - Series IV, of ₹10 each fully paid-up at a premium of ₹ 6,015.66 per share to CDC Group PLC. CCPS carry non-cumulative dividend @ 0.001% p.a.

ii) Each holder of CCPS are entitled to convert the CCPS into equity shares at any time at the option of the holder of the CCPS subject to the compliance of applicable laws. Each CCPS automatically be converted into fixed no. of equity share, at the fixed conversion price as specified by the relevant clauses of the Shareholder's agreement, upon the earlier of (i) the date falling on the 10th (tenth) anniversary of the closing date of the investment agreement; or (ii) the date on which the Series IV CCPS are required by applicable law to be mandatorily converted into equity shares.

Each CCPS shall be converted into Ordinary Shares at the conversion price determined as per detailed terms and conditions of CCPS as may be arrived in terms of the investment agreement dated 11 December 2020.

iii) The preference shares will have preference to receive dividend. The holders of 0.001% compulsory convertible preference shares have equal right to receive notices of, attend or vote at general meetings except in certain limited circumstances.

iv) On the distribution of the assets of the Company, on winding up or other return of the capital (subject to certain exceptions), the holders of preference share have priority over the holders of ordinary shares to receive the capital paid up on those shares.

Nature and purpose of the reserves

Securities premium

Securities premium represents premium received on issue of shares. The amount is utilised in accordance with the provisions of the Companies Act 2013.

Put option reserve

This amount represents direct charge to equity on recognition of obligation in respect of put option on equity shares held by some of the investors.

Share options outstanding account

The reserve is used to recognise the fair value of the options issued to employees of the Company under Company's employee stock option plan.

Capital reserve

The reserve is created out of the amount forfeited from the money received against share warrant options. The reserve is the accumulated capital surplus not available for distribution of dividend.

Retained earnings

All the profits/ losses made by the Company are transferred to retained earnings from statement of profit and loss.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

(All amounts in ₹ Lakh unless stated otherwise)

Money received against share warrants

Money received against share warrants represents amount received towards warrants which entitles the warrant holders, the option to apply for and be allotted equivalent number of equity shares of the face value of ₹10 each.

During the year ended 31 March 2018, the Company has issued to its Promoters 1,53,820 warrants at an exercise price of ₹ 2,389.93 each entitling them for subscription of equivalent number of equity shares of ₹10 each in accordance with provisions of Section 42, Section 62 of The Companies Act, 2013 read with The Companies (Prospectus and Allotment of Securities) Rules, 2014 and The Companies (Share Capital and Debentures) Rules, 2014. The holder of the warrants would need to exercise the option to subscribe to equity shares upon payment of the balance ₹ 2,276.13 each of the consideration of warrants. Each warrant shall convert into 1 equity share of the Company at any time within a period of 20 (twenty) years from the warrant issue date.

During the year, the Promoters have exercised 1,02,458 share warrant option at exercise price of ₹ 2,389.93. The remaining 51,362 share warrant options have been lapsed.

Equity component of compound financial instruments

The Company's promoters and the investor have entered into a shareholder agreement (SHA) pursuant to which investors have subscribed to securities of the Company. It sets out the rights and obligations of the investors and the promoters as shareholders of the Company, management of the Company and other matters in connection therewith. The Company had issued 4 different series of compulsorily convertible preference shares (CCPS) namely Series I, Series II, Series III and Series IV at different time during its lifecycle.

During the previous year, the Company has revised the terms of Series I, Series II, and Series III, CCPS and issued Series IV CCPS with similarly modified terms. Basis the assessment of updated terms and conditions in SHA i.e. conversion ratio, exit clauses, liquidation preferences and other relevant provisions, these instruments are now classified as compound financial instruments i.e. having features of both 'equity and liability' and measured accordingly.

Note - 33

Earnings per share (EPS)

A Basic earnings per share

Net profit/(loss) for the year attributable to equity shareholders for basic earnings per share	4,752.00	(31,351.50)
Weighted average number of equity shares (number) for basic earnings per share	21,40,122	21,02,496
Nominal value of equity share (₹)	10	10
Basic earnings per equity share (₹)	222.04	(1,491.16)

B Diluted earnings per share

Net profit/(loss) for the year attributable to equity shareholders for basic earnings per share	4,752.00	
Net profit/(loss) for the year attributable to equity shareholders for diluted earnings per share:	4,752.00	
Weighted average number of equity shares (number) for basic earnings per share	21,40,122	
Add: Adjustment for effect of dilution -		
- Convertible preference shares (number)	33,20,974	
- Share options (number)	27,676	
Weighted average number of equity shares (number) for diluted earnings per share	54,88,772	
Diluted earnings per equity share (₹)	86.58	(1,491.16)

Note:

During the previous year ended 31 March 2020, there were potential equity shares in the form of compulsorily convertible preference shares, employee stock option plan and share warrants issued. However, as these were anti-dilutive, they were ignored in the calculation of diluted earnings per share and accordingly, the diluted earnings per share is the same as basic earnings per share for the year ended 31 March 2020.

(This space has been intentionally left blank)

Note - 34

Financial instruments

A Financial assets and liabilities

The carrying amounts of financial instruments by category are as follows:

Particulars	Note	As at 31 March 2021	As at 31 March 2020
Financial assets measured at fair value			
Current investments	Note - 8	498.44	-
Financial assets measured at amortised cost			
Non-current investments	Note - 8	5,271.51	-
Loans	Note - 9	2,910.65	1,987.99
Trade receivables	Note - 14	18,896.78	12,820.73
Cash and cash equivalents	Note - 15	15,533.26	2,307.55
Other bank balances	Note - 16	53,106.83	21,292.44
Other financial assets	Note - 10	2,977.58	14,288.43
Total		99,195.05	52,697.14
Financial liabilities measured at amortised cost			
Borrowings	Note - 19	2,244.30	-
Lease liabilities	Note - 20	23,963.25	8,663.46
Trade payables	Note - 23	14,652.19	8,618.16
Other financial liabilities	Note - 21	14,183.33	4,790.48
Total		55,043.08	22,072.10

B. Fair values hierarchy

Financial assets and financial liabilities are measured at fair value in the standalone financial statements and are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

The categories used are as follows:

Level 1: Quoted prices (unadjusted) for identical instruments in an active market;

Level 2: Directly (i.e. as prices) or indirectly (i.e. derived from prices) observable market inputs, other than Level 1 inputs; and

Level 3: Inputs which are not based on observable market data (unobservable inputs).

B.1 Financial assets and liabilities measured at fair value - recurring fair value measurements

Particulars	Period	Level 1	Level 2	Level 3
Financial assets at fair value through profit and loss				
Current investments	31 March 2021	498.44	-	-
	31 March 2020	-	-	-

The following table presents the changes in level 3 items for the periods ended 31 March 2021 and 31 March 2020:

Particulars	Compulsorily convertible preference shares	Liability arising on Put option
As at 1 April 2019	1,34,749.39	36,399.91
Add: fair value changes during the year	30,161.62	8,522.65
Less: Reclassification on extinguishment of financial liability and recognition of compound financial instruments	(1,64,911.01)	(44,922.56)
As at 31 March 2020/31 March 2021	-	-

B.2 Fair value of instruments measured at amortised cost

Fair value of instruments measured at amortised cost for which fair value is disclosed as follows, these fair values are calculated using Level 3 inputs:

Particulars	As at 31 March 2021		As at 31 March 2020	
	Carrying value	Fair value	Carrying value	Fair value
Financial assets				
Loans	2,910.65	2,910.65	1,987.99	1,987.99
Trade receivables	18,896.78	18,896.78	12,820.73	12,820.73
Cash and cash equivalents	15,533.26	15,533.26	2,307.55	2,307.55
Other bank balances	53,106.83	53,106.83	21,292.44	21,292.44
Other financial assets	2,977.58	2,977.58	14,288.43	14,288.43
Total	93,425.10	93,425.10	52,697.14	52,697.14
Financial liabilities				
Borrowings	2,244.30	2,244.30	-	-
Lease liabilities	23,963.25	23,963.25	8,663.46	8,663.46
Trade payables	14,652.19	14,652.19	8,618.16	8,618.16
Other financial liabilities	14,183.33	14,183.33	4,790.48	4,790.48
Total	55,043.08	55,043.08	22,072.10	22,072.10

The above table does not include investment in equity instruments in subsidiary.

The following methods and assumptions were used to estimate the fair values for other assets and liabilities:

The management assessed that cash and cash equivalents, other bank balances, trade receivables, other receivables, trade payables and other current financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values:

(i) The fair value of the Company's non-interest bearing security deposits is determined by applying discounted cash flows (DCF) method.

(ii) For Company's variable rate interest-bearing borrowings, carrying value represent best estimate of their fair value as these are subject to changes in underlying interest rate indices as and when the changes happen.

Note - 35

Financial risk management

i. Risk management

The Company's activities expose it to credit risk, liquidity risk and market risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company risk management framework. The Company's risk are managed by a treasury department under policies approved by the board of directors. The board of directors provides written principles for overall risk management. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the standalone financial statements.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, other bank balances, loans, trade receivables and other financial assets	Ageing analysis	Highly rated bank deposits and diversification of asset base and collaterals taken for assets
Liquidity risk	Borrowings, trade payables and other financial liabilities	Cash flow forecasts	Availability of committed credit lines and borrowing facilities.
Market risk	Variable rates borrowings and Investments	Sensitivity analysis	Negotiation of terms that reflect the market factors

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

A) Credit risk

Credit risk arises from the potential that an obligor is either unwilling to perform on an obligation or its ability to perform such obligation is impaired resulting in economic loss to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, other bank balances, investments, loan assets, trade receivables and other financial assets. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. The Company assesses and manages credit risk based on internal credit rating system. Internal credit rating is performed for each class of financial instruments with different characteristics. The Company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

- (i) Low credit risk
- (ii) Moderate credit risk
- (iii) High credit risk

The Company provides for expected credit loss based on the following:

Nature	Assets covered	Basis of expected credit loss
Low credit risk	Cash and cash equivalents, other bank balances, loans, trade receivables, security deposits, and other financial assets	Life time expected credit loss or 12 month expected credit loss
Moderate credit risk	Trade receivables	Life time expected credit loss
High credit risk	Trade receivables	Life time expected credit loss or fully provided for

Assets are written off when there is no reasonable expectation of recovery. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Financial assets that expose the entity to credit risk*

Particulars	As at 31 March 2021	As at 31 March 2020
(i) Low credit risk		
Cash and cash equivalents	15,533.26	2,307.55
Other bank balances	53,106.83	21,292.44
Trade receivables	18,896.78	12,820.73
Loans	2,910.65	1,967.99
Other financial assets	2,977.58	14,288.43
(ii) Moderate credit risk		
Trade receivables	4,444.41	3,152.87
Loans	23.77	45.45
Other financial assets	175.38	89.90

* These represent gross carrying values of financial assets, without deduction for expected credit losses

Cash and cash equivalents and bank deposits

Credit risk related to cash and cash equivalents and bank deposits is managed by only accepting highly rated banks and diversifying bank deposits and accounts in different banks across the country.

Trade receivables

Credit risk related to trade receivables are managed by monitoring the recoverability of such amounts continuously.

Other financial assets measured at amortised cost

Other financial assets measured at amortised cost includes loans and advances to employees, security deposits and others. Credit risk related to these other financial assets is managed by monitoring the recoverability of such amounts continuously.

b) Credit risk exposure

i) Expected credit losses for financial assets

As at 31 March 2021	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	15,533.26	-	15,533.26
Other bank balances	53,106.83	-	53,106.83
Trade receivables	23,341.19	(4,444.41)	18,896.78
Loans	2,934.42	(23.77)	2,910.65
Other financial assets	3,152.96	(175.38)	2,977.58

As at 31 March 2020	Estimated gross carrying amount at default	Expected credit losses	Carrying amount net of impairment provision
Cash and cash equivalents	2,307.55	-	2,307.55
Other bank balances	21,292.44	-	21,292.44
Trade receivables	15,973.60	(3,152.87)	12,820.73
Loans	2,033.44	(45.45)	1,987.99
Other financial assets	14,378.33	(89.90)	14,288.43

ii) Reconciliation of loss allowance provision from beginning to end of reporting period

Reconciliation of loss allowance	Trade receivables	Loans	Other financial assets
Loss allowance on 1 April 2019	1,247.02	30.21	95.04
Impairment loss recognised during the year	1,905.85	32.99	-
Write - offs	-	(17.75)	(5.15)
Loss allowance on 31 March 2020	3,152.87	45.45	89.90
Impairment loss recognised during the year	1,008.65	-	107.08
Adjustment from provision for credit notes	282.89	-	-
Write - offs	-	(21.67)	(21.60)
Loss allowance on 31 March 2021	4,444.41	23.78	175.38

iii) Concentration of trade receivables

The Company's exposure to credit risk for trade receivables is presented as below. Loans and other financial assets majorly represents loans to employees and deposits given for business purposes.

Particulars	As at 31 March 2021	As at 31 March 2020
E-commerce	23,341.19	15,973.59
Total	23,341.19	15,973.59

Further details of concentration of revenue are included in note 39.

B) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due.

The Company maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors the Company's liquidity positions (also comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. The Company also takes into account liquidity of the market in which the entity operates.

i) Financing arrangements

The Company had access to the following funding facilities:

As at 31 March 2021	Total facility	Drawn	Undrawn
- Expiring within one year	16,478.00	-	16,478.00
- Expiring beyond one year	2,500.00	2,244.30	255.70
Total	18,978.00	2,244.30	16,733.70

As at 31 March 2020	Total facility	Drawn	Undrawn
- Expiring within one year	12,000.00	-	12,000.00
- Expiring beyond one year	-	-	-
Total	12,000.00	-	12,000.00

ii) Maturities of financial assets and liabilities

The tables below analyse the Company financial liabilities into relevant maturity groupings based on their contractual maturities.

The amounts disclosed in the table are the contractual undiscounted cash flows:

As at 31 March 2021	Less than 1 year	1-3 years	More than 3 years	Total
Non-derivatives				
Borrowings	1,076.17	1,450.09	-	2,526.26
Lease liabilities	7,120.65	10,924.01	13,656.66	31,701.32
Trade payables	14,652.19	-	-	14,652.19
Other financial liabilities	14,183.33	-	-	14,183.33
Total	37,032.34	12,374.10	13,656.66	63,063.10

As at 31 March 2020	Less than 1 year	1-3 years	More than 3 years	Total
Non-derivatives				
Borrowings	-	-	-	-
Lease liabilities	4,673.90	4,490.15	639.57	9,803.62
Trade payables	8,618.16	-	-	8,618.16
Other financial liabilities	4,790.48	-	-	4,790.48
Total	18,082.54	4,490.15	639.57	23,212.26

Ecom Express Private Limited

(All amounts in ₹ Lakh unless stated otherwise)

C) Market risk

Interest rate risk

i) Liabilities

The Company's policy is to minimise interest rate cash flow risk exposures on long-term financing. At 31 March 2021, the Company is not exposed to changes in market interest rates as the borrowings are at fixed interest rates.

Interest rate risk exposure

Below is the overall exposure of the Company to interest rate risk:

Particulars	As at 31 March 2021	As at 31 March 2020
Fixed rate liabilities		
Borrowings	2,244.30	-

The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

ii) Assets

The Company's fixed deposits are carried at amortised cost and are fixed rate deposits. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

Price risk

The Company is mainly exposed to the price risk due to its investment in debt mutual funds. The price risk arises due to uncertainties about the future market values of these investments. As at 31 March 2021, the investments in debt mutual funds amounts to ₹498.44 lakh (as at 31 March 2020: Nil). These are exposed to price risk. The report on investment is submitted to the management on a regular basis and the investments are reviewed and approved by the company's management.

To provide a meaningful assessment of the price risk associated with the Company's investment portfolio, the Company performed a sensitivity analysis to determine the impact of change in prices of the mutual fund that would have on the value of the investment portfolio assuming a 1% move in price of debt mutual funds

Sensitivity

Below is the sensitivity of profit or loss due to change in price of debt funds:

Particulars	As at 31 March 2021	As at 31 March 2020
Price sensitivity on mutual fund investments*		
Net asset value – increase by 100 basis points	4.98	-
Net asset value – decrease by 100 basis points	(4.98)	-

* Holding all other variables constant

Note - 36

Capital management

The Company's capital management objectives are

- to ensure the Company's ability to continue as a going concern
- to comply with externally imposed capital requirement and maintain strong credit ratings
- to provide an adequate return to shareholders

Management assesses the Company's capital requirements in order to maintain an efficient overall financing structure while avoiding excessive leverage. This takes into account the subordination levels of the Company's various classes of debt. The Company manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares, or sell assets to reduce debt.

Particulars	As at 31 March 2021	As at 31 March 2020
Borrowings from financial institutions	2,244.30	-
Total debt	2,244.30	-
Less : Cash and cash equivalents	(15,533.26)	(2,307.55)
Net debt	(13,288.96)	(2,307.55)
Equity attributable to the owners of the Company	97,083.01	61,109.03
Net debt to equity ratio	-	-

(This space has been intentionally left blank)

Note - 37

Commitments and contingencies

Commitment:

Particulars	As at 31 March 2021	As at 31 March 2020
Estimated amount of contracts remaining to be executed on capital accounts	5,483.04	3,237.56

Contingencies:

(a) The Company has certain tax and other litigations. Based on legal advice, the management believes that chance of devolving of a material liability on the Company in respect of these litigations is remote. Accordingly, no provision or contingent liability has been recognised in the standalone financial statements.

Note - 38

Employee benefits

The Company has classified the various benefits provided to employees as under:

A Defined contribution plans

Particulars	31 March 2021	31 March 2020
Provident fund*	2,226.11	1,697.89
Employer's contribution to employee state insurance*	831.34	817.39

* Included in contribution to provident and other funds under employee benefits expense (refer note 28).

B Defined benefit plans/other long term benefits

Compensated absences

Risk

Salary increases	Actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Investment risk	If plan is funded then assets liabilities mismatch and actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
Discount rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality and disability	Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

i) Amounts recognised in the standalone balance sheet:

Particulars	31 March 2021	31 March 2020
Present value of the obligation	1,729.35	1,074.78
Current liability	501.74	398.14
Non-current liability	1,227.61	676.64

ii) Expenses recognised in standalone statement of profit and loss:

Particulars	31 March 2021	31 March 2020
Current service cost	762.22	578.79
Interest cost	72.66	25.63
Actuarial loss net on account of:		260.38
- Changes in demographic assumptions		(67.71)
- Changes in financial assumptions	196.78	204.70
- Changes in experience adjustment	(64.51)	
Expenses recognised during the year	967.15	1,001.79

iii) Movement in the liability recognised in the standalone balance sheet is as under:

Particulars	31 March 2021	31 March 2020
Present value of defined benefit obligation at the beginning of the year	1,074.78	334.56
Current service cost	762.22	578.79
Interest cost	72.66	25.63
Actuarial loss	132.26	397.36
Benefits paid	(312.56)	(261.56)
Present value of defined benefit obligation at the end of the year	1,729.36	1,074.78

iv) (a) For determination of the liability of the Company the following actuarial assumptions were used:

Particulars	31 March 2021	31 March 2020
Discount rate	6.76%	6.76%
Salary escalation rate	8.00%	0% - 5%*
Retirement age (years)	58	58
Ages	Withdrawal rate (%)	
Up to 30 years	49.00/25.00	49.00/25.00
From 31 to 44 years	49.00/25.00	49.00/25.00
Above 44 years	49.00/25.00	49.00/25.00
Leave		
Leave availment rate	10.00%	5.00%

* 0% for the first year and 5% thereafter

Mortality rates inclusive of provision for disability - 100% of IALM (2012 - 14) [previous year - IALM (2012 - 14)]

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

(All amounts in ₹ Lakhs unless stated otherwise)

iv) (b) Maturity profile of defined benefit obligation		
Particulars	31 March 2021	31 March 2020
0 to 1 year	501.74	398.14
1 to 2 year	612.46	328.98
2 to 3 year	302.73	164.78
3 to 4 year	154.82	86.27
4 to 5 year	77.77	46.12
5 to 6 year	39.38	23.58
6 year onwards	40.45	26.91

v) Sensitivity analysis for compensated absences liability		
Particulars	31 March 2021	31 March 2020
a) Impact of the change in discount rate		
Present value of obligation at the end of the year	1,729.36	1,074.78
Impact due to increase of 0.50 %	(18.93)	(65.09)
Impact due to decrease of 0.50 %	34.78	63.72
b) Impact of the change in salary increase		
Present value of obligation at the end of the year	1,729.36	1,074.78
Impact due to increase of 0.50 %	34.34	67.37
Impact due to decrease of 0.50 %	(18.75)	(59.60)

Sensitivities due to mortality and withdrawals are not material. Hence impact of change is not calculated.

Sensitivities as to rate of inflation, rate of increase of pensions in payment, rate of increase of pensions before retirement and life expectancy are not applicable being a lump sum benefit on retirement.

Gratuity**Risk**

Salary increases	Actual salary increases will increase the plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Investment risk	If plan is funded then assets liabilities mismatch and actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.
Discount rate	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality and disability	Actual deaths and disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

Note - 40

Leases

A. Lease liabilities are presented in the standalone balance sheet as follows:

	31 March 2021	31 March 2020
Current	6,775.65	3,882.21
Non-current	17,187.60	4,781.24
	23,963.25	8,663.45

Weighted average incremental borrowing rate applied to lease liabilities recognised under Ind AS 116 is 9.85%.

B. The following are amounts recognised in the standalone statement of profit and loss:

	31 March 2021	31 March 2020
Depreciation expense of right-of-use assets	5,914.33	4,223.30
Interest expense on lease liabilities	1,835.99	982.79
Rent expense*	4,151.04	3,084.28
Total	11,901.36	8,290.37

*Rent expense in term of short-term leases

The Company has leases for the offices and related facilities. With the exception of short-term leases and leases of low-value underlying assets, each lease is reflected on the standalone balance sheet as a right-of-use asset and a lease liability. The Company classifies its right-of-use assets in a consistent manner to its property, plant and equipment.

The table below describes the nature of the Company's leasing activities by type of right-of-use asset recognised in standalone balance sheet:

Right-of-use asset	Period	No of right-of-use assets leased	Range of remaining term (in years)	No of leases with extension options	No of leases with termination options
Offices and related facilities	31 March 2021	374	1 to 9 years	374	374
	31 March 2020	723	1 to 9 years	723	723

The lease liabilities are secured by the related underlying assets. The maturity analysis of lease liabilities are disclosed in Note:- 35

Lease payments not recognised as a liability

The Company has elected not to recognise a lease liability for short-term leases (leases with an expected term of 12 months or less) or for leases of low value assets. Payments made under such leases are expensed on a straight-line basis. The Company does not have any liability to make variable lease payments for the right to use the underlying asset recognised in the financial statements.

The expense relating to payments not included in the measurement of the lease liability for short-term leases is ₹ 4,151.04 Lakhs for the year ended 31 March 2021 (31 March 2020 - ₹ 3,084.28 Lakhs). The Company is not committed to any liability towards short-term leases.

Total cash outflow for leases for the year ended 31 March 2021 was ₹ 10,326.83 Lakhs (31 March 2020 - ₹ 7,773.58 Lakhs)

Details of disclosure under section 186(4) of the Act:

	As at 31 March 2021	As at 31 March 2020
Investments in subsidiary		
Investments at the beginning of the year	-	-
Investments at the end of the year	5,271.51	-

There are no guarantees and loans and advances which are given to Paperfly Private Limited (subsidiary of the Company).

Note - 46

Corporate social responsibility

As per Section 135 of the Companies Act, 2013, a company, meeting the applicability threshold, needs to spend at least 2% of its average net profit for the immediately preceding three financial years on corporate social responsibility (CSR) activities. A CSR committee has been formed by the Company as per the Act.

As per Section 198 of the Companies Act, 2013, the Company incurred losses in the preceding three financial years. Thus, the Company was not required to spend any money for CSR activities during the financial year 2020-21.

Note - 47

The Company had issued three different series of compulsorily convertible preference shares (CCPS) namely Series I, Series II, Series III and these were classified and measured as financial liability as per guidance under Ind AS. During the year ended 31 March 2020, the Company had raised additional funds by issuing new equity shares and CCPS to the new investor CDC Group PLC ('New Investor'). The new Investor has subscribed to Series IV CCPS at a price, which is significantly higher than the price at which Eaglebay Investment Ltd. ('the Existing Investor') has subscribed to Series I CCPS, Series II CCPS and the Series III CCPS.

In the revised shareholders agreement ('SHA') dated 7 October 2019, the Company has revised the terms of Series I, Series II, Series III CCPS. Additionally, the Company has issued Series IV CCPS with the similar terms i.e. modified terms of Series I, Series II and Series III CCPS. Basis the assessment of updated terms and conditions in SHA i.e. conversion ratio, exit clauses, liquidation preferences and other relevant provisions, these instruments were classified as compound financial instruments i.e. having features of both 'equity and liability' and measured accordingly during the previous year ended 31 March 2020.

Ecom Express Private Limited

Summary of significant accounting policies and other explanatory information for the year ended 31 March 2021

(All amounts in ₹ Lakh unless stated otherwise)

Note - 48

World Health Organization (WHO) declared outbreak of Corona virus disease (COVID-19) a global pandemic. COVID-19 continues to spread across the globe including India, which has contributed to a significant decline and volatility in global and Indian financial markets and a significant decrease in global and local economic activities.

Based on the management's estimates, the Company does not foresee any significant incremental risk to the recoverability of its assets or in meeting its financial obligations over the foreseeable future, given the steps taken to contain, protect and mitigate the exposure. Since the situation is continuously evolving, the impact assessed in future may be different from the estimates made as at the date of approval of these standalone financial statement. The Company will continue to closely monitor any material changes arising due to the impact of this pandemic/future economic conditions impacting the financial and operational performance of the Company and take necessary measures to address the situation.

Note - 49

The Code on Social Security, 2020 ('the Code') relating to employee benefits received Presidential assent on 28 September 2020. The Ministry of Labour and Employment has released draft rules for the Code on 13 November 2020 and invited suggestions from the stakeholders. The date of implementation of the Code is yet to be notified by the Government. The Company will assess the impact of the Code and give effect in the financial statements when the Code and Rules thereunder are notified.
